Open Electives

* The state of Michigan requires a minimum of 120 credit hours for Bachelors Degree completion. To meet this minimum, Open Electives may be required. Non-developmental level courses taken at your community college and not applied directly toward third year requirements will be applied in this area. An official evaluation of transfer credit will determine the need for electives.

Number of credits accepted in transfer:81

Number of credits to be completed after transfer:45

***This program can be completed at the following Davenport University Locations: Dearborn, Midland and Warren.**
