MAJOR REQUIREMENTS:

MATH 121	Intermediate Algebra	4
MATH 130	Statistics	3
BIOL 201	Human Anatomy	4
BIOL 202	Human Physiology	4
BIOL 205	Microbiology	4

- (1) Completion of course requirements in Groups I, III, IV, and V satisfies the MACRAO Agreement between KCC and Grand Valley State University.
- (2) Not a requirement at GVSU. See an academic advisor if seeking an associate's degree from KCC.

NOTE: Students beginning classes for the first time at KCC in the Fall semester of 2004 will need to complete COMM 101 or 111 to satisfy KCC graduation requirements for all Associate degrees. Please consider this requirement when speaking to an Academic Advisor regarding your options for completing your transfer program.

The minimum GPA needed for admission to GVSU is at least a 2.5.

Health Professions Studies

The B.S. in Health Professions degree will be awarded to students following successful completion of a four-year program. Curriculum design will include general education requirements and other specifics appropriate for student interests and academic progress. Students will typically declare a major by the end of their sophomore year. This degree also expects the student to declare a minor in a field that will further assist the student in their overall goal of working in the healthcare arena. Minors are to be selected after consultation and approval from their academic major advisor.

Once a student declares a major in health professions they will be advised by their assigned major academic advisor and assisted by the Student Services Coordinator for the College of Health Professions. Successful progress through a program should include completion of an externship and an appropriate minor. Students are awarded a B.S. in Health Professions degree upon successful completion of their academic requirements.

Degree Requirements

A minimum of 120 credits is required for completion of the bachelor's degree. General university degree requirements are identified in the General Academic Policies section of the Grand Valley State University Undergraduate and Graduate Catalog.
