Students must have MACRAO certification from Kellogg Community College for agreement to be valid. Students should work with their community college transfer advisor to verify MACRAO requirements.

Note: This transfer guide was developed using KCC's AS Paralegal degree.

*The Legal Studies BS degree requires eight credits in social science, natural science or mathematics beyond those for general education. These requirements may be fulfilled in part or in total through the specialty areas section, the minor and/or PS467. Students should consult their advisors.

** ACTG may be substituted for OFFC 119.

*** See attached sheet for a list of available legal specialties; consult with Legal Studies Coordinator at LSSU.

^ Are courses that can be counted in the MACRAO 30 credits.

For more questions on transferring, please contact Kathy Good, Transfer Advisor at 906-635-2808 or kgood@lssu.edu.
