

## KELLOGG COMMUNITY COLLEGE

Curriculum Guide for Transfer to: **Michigan State University**  
 Curriculum: **BSN Professional Track (RN to BSN)**

### Transfer Admissions Criteria to MSU

Admission as a transfer student is based on consistent academic performance, including all grades, courses, and attempts at all previously attended institutions. Applicants with a GPA below 2.0 are not admissible. Admission consideration is stronger for applicants who have completed 28 or more credits and meet the following criteria:

- o 3.0 GPA or higher.
- o Completion of one year of English composition equivalent to Michigan State's Writing, Rhetoric and American Cultures course Writing: Science and Technology (WRA 110). At KCC, ENGL 151 & 152.
- o Completion of a math course equivalent to MSU's College Algebra (MTH 103) or higher. At KCC, MATH 124
- o Students wanting to transfer to MSU should complete the Lower Level Integrative Studies courses.
- o When applying to MSU, GPA's will be recalculated including: all courses, all attempts, and all colleges.
- o "C" grade will transfer if overall GPA from transfer institution is at least a 3.0.
- o Students who transfer 42 or more credits must select a major.
- o Transfer students are encouraged to apply at least six months prior to their desired semester of enrollment. Decisions are typically made eight to 12 weeks after all application materials are received.

### Admissions Criteria to the College of Nursing

A minimum overall GPA of 2.5 and a minimum science GPA of 2.2 is required. Applicants with fewer than 42 transferable credits can apply as a pre-nursing student until requirements are met to apply to the nursing program. **To** avoid extending the length of the program, students applying to transfer into the College of Nursing are strongly encouraged to have the Integrative Studies requirements in the Arts and Humanities (IAH) and Social, Behavioral, and Economic Sciences (ISS) completed before 42 transferable credits has been completed. **Students** with 42 transferable credit hours meeting the direct admission criteria above will receive a supplemental application to be submitted to the College of Nursing. The College of Nursing supplemental application deadlines are: March 1 for fall (August) admission consideration

October 1 for spring (January) admission consideration
