

Kellogg Community College

Curriculum Guide for Transfer to: **Michigan State University**
Curriculum: **Kinesiology**

Transfer Admissions Criteria to MSU

Admission as a transfer student is based on consistent academic performance, including all grades, courses, and attempts at all previously attended institutions. Applicants with a GPA below 2.0 are not admissible. Admission consideration is stronger for applicants who have completed 28 or more credits and meet the following criteria:

- o 3.0 GPA or higher.
- o Completion of one year of English composition equivalent to Michigan State's Writing, Rhetoric and American Cultures course Writing: Science and Technology (WRA 110). At KCC, ENGL 151 & 152.
- o Completion of a math course equivalent to MSU's College Algebra (MTH 103) or higher. At KCC, MATH 124
- o Students wanting to transfer to MSU should complete the Lower Level Integrative Studies courses.
- o When applying to MSU, GPA's will be recalculated including: all courses, all attempts, and all colleges.
- o "C" grade will transfer if overall GPA from transfer institution is at least a 3.0.
- o Students who transfer 42 or more credits must select a major.
- o Transfer students are encouraged to apply at least six months prior to their desired semester of enrollment. Decisions are typically made eight to 12 weeks after all application materials are received.

Admissions Criteria to the College of Education for Kinesiology majors:

To be considered for any Kinesiology program applicants need to contact the Kinesiology advising office before 52 credits have been completed. Applicants must have proof of a cumulative grade point average of 2.00 or higher and a minimum grade of a 2.0 in the following courses: MTH 103, KIN 216, PSL 250, CHEM 141 and PHY 231.

Undergraduate students may choose one of three tracks within the KIN program. Admission to one of these tracks constitutes admission to the KIN undergraduate program:

- Athletic Training
- Exercise Science
- Physical Education Teaching

Contact MSU's Kinesiology Advisor at (517) 432-9552 or e-mail hartwel6@msu.edu.
