

Kellogg Community College

Curriculum Guide for Transfer to: **Michigan State University**
Curriculum: **Nutritional Sciences**

Transfer Admissions Criteria to MSU

Admission as a transfer student is based on consistent academic performance, including all grades, courses, and attempts at all previously attended institutions. Applicants with a GPA below 2.0 are not admissible. Admission consideration is stronger for applicants who have completed 28 or more credits and meet the following criteria:

- 3.0 GPA or higher.
- Completion of one year of English composition equivalent to Michigan State's Writing, Rhetoric and American Cultures course Writing: Science and Technology (WRA 110). At KCC, ENGL 151 & 152.
- Completion of a math course equivalent to MSU's College Algebra (MTH 103) or higher. At KCC, MATH 124
- Students wanting to transfer to MSU should complete the Lower Level Integrative Studies courses.
- When applying to MSU, GPA's will be recalculated including: all courses, all attempts, and all colleges.
- "C" grade will transfer if overall GPA from transfer institution is at least a 3.0.
- Students who transfer 42 or more credits must select a major.
- Transfer students are encouraged to apply at least six months prior to their desired semester of enrollment. Decisions are typically made eight to 12 weeks after all application materials are received.

Admissions Criteria for the College of Natural Sciences

The Nutritional Sciences major emphasizes intensive study in biological and physical sciences as a basic for understanding the science of nutrition and the relationships between nutrients and human health. Applicants should complete the integrative studies and core requirements with an academic record that meets the requirements of Academic Standing of Undergraduate students.

College: College of Natural Science	
Majors: Nutritional Science	
Michigan State University	Kellogg Community College
Minimum Course Requirements from Integrative Studies	Equivalencies
IAH 201 (required for all MSU students)	ENGL 151, 152 and HIST 103 or 104
MTH 103	Math 124
Transferable Course in MSU's Nutritional Science Core	Equivalencies
BS 111 & BS 111L	BIOL 110
ANTR 350	BIOL 201
MMG 301 & 302	BIOL 205
CEM 141 & 161	CHEM 110
CEM 142 & 162	CHEM 111
CEM 351 & 355	CHEM 201
CEM 352 & 356	CHEM 202
PHY 231 & 251	PHYS 111
PHY 232 & 252	PHSY 112
MTH 132	MATH 141
HNF 150	HUSE 230

Note: KCC's BIOL 110 will meet the prerequisite for MSU's BMB 461 which will be a required course for this major.
