- Completion of a math course equivalent to MSU's College Algebra (MTH 103) or higher. At KCC, MATH 124
- Students wanting to transfer to MSU should complete the Lower Level Integrative Studies courses.
- When applying to MSU, GPA's will be recalculated including: all courses, all attempts, and all colleges.
- "C" grade will transfer if overall GPA from transfer institution is at least a 3.0.
- Students who transfer 42 or more credits must select a major.
- Transfer students are encouraged to apply at least six months prior to their desired semester of enrollment. Decisions are typically made eight to 12 weeks after all application materials are received.
