## Kellogg Community College Pre-Law (Political Science, B.S.)

This bachelor's degree program is for students who wish to be fully prepared for entrance in to law school. While law schools do not require a Political Science major, students interested in legal careers usually select this major with a pre-law emphasis. After transferring to NMU, Pre-Law students enroll in higher level political science courses, work as legal interns, and participate in law related extracurricular activities (including mock-trial competition).
