Completion of course requirements in Groups I, III, IV and V satisfies the MACRAO Agreement between KCC and Wayne State University for freshman and sophomore general education courses.

Note: Your transfer school may require you to complete junior and senior level general education courses to meet graduation requirements.

*Prerequisite courses must be completed before you register for this course.

- (1) Students may complete PSYC 201; SOCI 202, or 203 to fulfill the Healthy Living requirement for an Associate in Science degree.

Note: Students will need to complete COMM 101 to satisfy KCC graduation requirements for all Associate degrees. Please consider this requirement when speaking to an Academic Advisor regarding your options for completing your transfer program.

Admission to the College of Pharmacy and Allied Health Professions:

- Completion of the courses identified in the table below, is required to be considered for admission to the professional program in Pharmacy.
- All courses identified in the table below must be completed with no grade lower than "C" (a grade of "C-" is not acceptable).
- All requirements in science and mathematics must be completed not later than **May 10** of the year prior to application. Non-science pre-requisite requirements must be completed not later than **August 10. Science and math coursework must be completed within six years prior to admission.** General education requirements not completed prior to admission must be completed by the end of the first year of the professional program.
- Each requirement in chemistry, physics, and biology must include laboratory.
- The professional program begins only in Fall Term.
- The **application deadline** for the professional program is **December 1**. For an application go to **<http://pharmcas.org>**.
- The Pharmacy College Admission Test is required and must be taken **not later than October of the year prior to application** for admission to the professional program. Contact Testing & Evaluation at (313) 577-3400 for information on registering for the exam.
- Admission to the professional program in Pharmacy is selective and competitive.
- A minimum **Grade Point Average of 3.0** is required for all prerequisite courses and the same minimum GPA is required for all prerequisite sciences. Fulfilling the minimum course and grade requirements does not assure admission. For additional information go to www.cphs.wayne.edu.
- Time limitation: please refer to the WSU Undergraduate Bulletin concerning the time limit for completing both preprofessional sciences and the professional program.
- Students are strongly encouraged to attend an Informational Meeting held the first Tuesday of each month at 6:00 p.m. at the Eugene Applebaum College of Pharmacy and Health Sciences, 259 Mack Avenue. Call 313-577-1716 for information or send email to: cphsinfo@wayne.edu. For a schedule of Informational Meetings, call **(313) 577-1716**.
- Students are strongly encouraged to maintain contact with both the University Advising Center and the Eugene Applebaum College of Pharmacy and Health Sciences to ensure up-to-date information regarding any changes in requirements.
