

The Michigan Sheriffs Coordinating and Training Council (MSCTC) is currently reviewing bids to determine who will be granted a contract to provide MSCTC funded corrections training in this region.

Kellogg Community College has submitted a bid and we are waiting to hear if we will be awarded the contract. **If we are awarded the contract, we will likely be running an academy as early as April of 2010.**

If we are not awarded the contract, we will not be scheduling a Corrections Academy as we have determined from past practice we do not have enough pre-service candidate interest in the program to fill a course.

If you have any questions, please contact the Criminal Justice office at 269-965-3931, extension 2210.
