The Federal government requires that students who receive financial aid make satisfactory academic progress towards their degree. A review by the financial aid office determines if you are meeting the minimum standards of grade point average, hours passed, and total hours attempted.

If you do not meet the academic progress standards, you are not eligible to receive federal financial aid. If you have experienced undue hardship, you may file this appeal form, submit detailed explanations and relevant supporting documentation to the Financial Aid Office. A determination will be made by the financial aid appeals committee as to whether your circumstances warrant a period of probation, full reinstatement of financial aid or additional documentation for an appeal decision.

Please complete this form, attach required documentation, sign and return to the Financial Aid Office as soon as possible. We will notify you of the results when the review is complete. **Only requests that include documentation can be considered.**

**Also, include a detailed written explanation stating the circumstances of your appeal.**

**ONE APPEAL PER ACADEMIC YEAR WILL BE CONSIDERED.**
