

Degree and Certificate Requirements

Requirements

Candidates for a degree or certificate from Kellogg Community College must meet the following specific requirements:

1. An associate degree requires successful completion of a minimum of 62 credit hours with a cumulative grade point average of 2.0 or higher.
2. Certificates will be awarded to students who complete the required course work with a cumulative grade point average of 2.0 or higher.
3. To earn an associate degree, at least 24 credit hours must be successfully completed at Kellogg Community College.
4. A maximum of 60% of the credit hours required for a degree or certificate may be documented and transferred to Kellogg Community College.
5. General Education Core Outcomes: All students receiving a degree from Kellogg Community College will gain general education core outcomes. These outcomes will be met through the general education core courses required for your degree. Please see specific program guides on pages 56-132.

General Education Core Courses

Choose from the following courses to complete your general education requirements. General education core courses require a prerequisite COMPASS reading score of 70, or a “C” in Study Skills 98 or 99.° Be sure to check your transfer and program guides for more explicit directions concerning general education choices. Students seeking MACRAO should see pages 19-20 for MACRAO general education requirements.

°Physical Education Activity courses 150-160 do not have a COMPASS reading requirement.
