KCC Foundation

In 1998 the Kellogg Community College Board of Trustees encouraged the College to establish a foundation to seek private funding to assist students with various needs. In keeping with that mandate, the Kellogg Community College Foundation manages a number of funds and initiatives to provide financial assistance to the students and programs of Kellogg Community College.

The mission of the KCC Foundation provides a broad charter that encompasses the diverse educational programs of the College, matched to the equally diverse interests of our generous donors. The KCC Foundation exists to provide scholarships and other forms of assistance, direct and indirect, to our students. This assistance often comes at a critical time in people's lives – giving them the encouragement and confidence to succeed in spite of financial barriers. Often a KCC Scholarship can be a 'safety net' for students not receiving other forms of assistance or who may have partial funding from other sources.

A non-governmental, nonprofit 501(c)(3), with its own funds, the KCC Foundation is managed by a volunteer Board of Directors. The Foundation fund balance is determined by the amount of private funding generated from earned interest on endowments, annual gifts and the net proceeds from sponsored events.

Working together with area individuals, organizations and businesses the Foundation is fortunate to be able to help many students achieve their academic goals. As the KCC Foundation forwards its vision of helping students achieve academic success, we continue to be grateful that our community also envisions a future where anyone who wants a higher education can achieve their goal, regardless of unmet financial need.

Scholarships

Foundation scholarships are available to students with financial need, demonstrated academic achievement, and/or special circumstances. Awards are based on the number of credit hours for which the student is enrolled and available funds. Scholarship committees determine the award amount by matching students with specific scholarship criteria.

- Minimum 2.5 cumulative grade point average
- Copy of official transcripts, personal statement (150 words minimum), résumé, and three letters of recommendation
