CONSIDERATION OF MINUTES

The minutes from the February Board of Trustees meeting were approved as written in a motion made by Trustee Booth and supported by Trustee Davis.

PRESIDENT’S REPORT

Calhoun Community High School: Dr. Bona introduced Mr. Tim Allard, Principal of Calhoun Community High School. Mr. Allard recommended Ms. Laura Otte and Ms. Lydia Drikakis for the Calhoun Community High School Board of Education. This was an action item later in the agenda.

Incident Report: Dr. Bona described an incident that happened earlier in the day with a gentleman driving west on Roosevelt that had become incapacitated, went off the road, and hit the concrete barrier where the salt is stored on KCC property. The gentleman passed away but the cause is unknown.

Mr. John DiPierro, Director of Institutional Facilities and Public Safety, provided an explanation of the incident that took place the evening of March 12th near the main campus involving shots being fired. The incident was not on College property, it did effect a lock-down of the main campus for a short period of time. Adjunct instructor, Ms. Laura Culver, was commended in a letter to Dr. Bona by one of her students for her outstanding efforts during the lock-down. Ms. Culver had recently participated in Active Shooter Training held on campus and was able to utilize tips presented in the training to help keep the students safe. The Crisis Action Plan was reviewed and everything had gone as planned. Trustee Harrington thanked John DiPierro for his service to the College and also to the others involved in the situation.
**Alternative Dispute Resolution:** Trustee Harrington introduced Mary Asmonga-Knapp and Wendy Kropp from the Defense Logistics Agency. Mary and Wendy, along with Laurie First, who was also in attendance, are mediators at the Hart-Dole-Inouye Federal Center for the Alternative Dispute Resolution (ADR) group and were there to provide the Board with a deeper understanding of ADR and its benefits over litigation. There is an opportunity for KCC to benefit from a partnership that would incorporate these services into existing conflict resolution processes within the bargaining units and administration.

**Nursing:** KCC’s Nursing Program has had an exceptional year both from a programmatic and outcomes based perspective. All nursing faculty, the Assistant Director, and Director were on hand to bring awareness to the department’s accomplishments and the direction it is headed. After some major changes over the last few years, the outcomes for the RN and PN now exceed those for both the Michigan and National levels. The goal now is to seek accreditation by 2016 through teaching strategies, utilization of simulation, collaborative curriculum work, and teamwork. Some of the work being done has been validated by the acceptance of a proposal to present KCC Nursing Department testing policies at the TRENDS conference. The department also expressed appreciation for the support received from the Board and the administration.

**Legislative Update:** The personal property tax is progressing in the State and the impact for KCC looks good. It is reported that both the House and Senate are leaning against the tuition cap proposed earlier by Governor Rick Snyder.

**Kellogg Community College Foundation Report:** Ms. Teresa Durham, Interim Director for the Kellogg Community College Foundation, was pleased to report that sixteen individuals have been recommended as recipients of the prestigious Gold Key Scholarship. Dr. Bona thanked Ms. Durham and the entire Gold Key committee for their hard work. Trustee Davis commented on the quality of students the college is able to attract based on the high GPA of the recipients. Disparity between the recipient’s high schools was noted and discussion was held regarding the need to put emphasis on reaching out to counselors so they will encourage students to apply.

**Scholarships and Grants:** The College received scholarships this month totaling $6,324.50. This brings the fiscal year total to $212,708.83. The scholarships are accepted with great appreciation on behalf of the students and the College.

**21st Century Update:** Mr. Richard Scott reported that the recent bond sale to fund construction for Binda Theatre and the Davidson Building is now closed. The $9.7 million bond issue will be paid off over thirteen years at a 2.039 percent interest rate. A local entity, Southern Michigan Bank and Trust, based in Coldwater, teamed up with the winning bidder from Oklahoma to purchase 20% of the issue.

Mr. Mark O’Connell provided an update on Binda Theatre construction. Programming for the Davidson building reconstruction has been presented to the design team. Estimated timeline for Davidson has the faculty and staff moving out of the building in December in preparation for the renovation.

**Kellogg Community College Center for Diversity and Innovation (KCCCDI):** This new KCC initiative, funded by the W.K. Kellogg Foundation for $2.1 million over the next three years, will focus primarily on the issue of racial equity. The community-wide effort fits perfectly into the College mission and will be housed in the downtown office as part of the Division of Student and Community Services.

**Succession Planning:** Dr. Bona described a tiered plan of succession for key leadership positions at the College. The first tier details a plan for the sudden departure of an employee while the second tier, being more conceptual, deals with setting up a profile for make-up of the leadership team. This “living plan” will be updated with every personnel change that occurs.

**2014 All-Michigan Academic Team Awards:** On March 25, 2014, KCC students, Jon Johnson and Madeline Schnorr, will be recognized as recipients of the award and named to the All-Michigan Academic Team.
BOARD REPORTS AND REQUESTS

MCCA Board of Directors Meeting: Chairman Jonathan Byrd and Dr. Bona reported on the highlights of the MCCA Board of Directors meeting held on March 14, 2014, at Southwestern Michigan College in Dowagiac. Action items occurring at the meeting included an increase in the annual dues by 12% bringing KCC’s annual amount to approximately $25,000. Chairman Byrd estimated this was the first increase since 2008 or 2009. Other items included approval of the budget, a legislative update, discussion of the governmental accounting standards board and the pension liability, and the statewide branding campaign.

Trustee Matt Davis expressed thanks to Rod Price, President of the Kellogg Faculty Association, for comments he made publicly in the Battle Creek Enquirer regarding the KFA’s support for the College and the College leadership. The article identified plans for the KFA to begin a faculty senate.

CITIZEN AND STAFF REQUESTS AND COMMENTS

Nursing instructor, Ms. Kathy Bess, stated there are several individuals in the nursing department that are in support of the faculty senate.

Ms. Bess also asked what type of methodology was used to determine the skills and talents of the administrative team for the tiered succession plan. Dr. Bona replied that it was a self-assessment.

Mr. Kevin Moody, Chapter Chairperson of the Maintenance Association, stated that he, personally, does not see a need for ADR (Alternative Dispute Resolution). He continued by stating that the maintenance union has not had a grievance for many years and since the maintenance, support staff, and faculty all have a grievance policy, he wondered if it was something that was really necessary for KCC. In addition, Mr. Moody also asked for clarification of terminology between Sr. Management, Upper Management, Executive Management, and President’s Council. That will be provided at a later date.

ACTION ITEMS

Financial Statements and Personnel Items: In a single motion by Trustee Booth and supported by Trustee Hice, the Board agreed to a consent agenda accepting the February financial statements as presented, including expenditures for the month, and the following personnel items:

NEW HIRES
- Abigail Pero, Secretary, Nursing (effective March 11, 2014; Support Staff, O&C II, Step 3, 2013-2014 hourly salary $16.69)

RESIGNATION
- Teresa Peet, Coordinator, Binda Theater (7.75 years) (effective June 30, 2014)

RETIREMENT NOTICE
- Pam Feeney, Professor, English (25 years) (effective August 14, 2014)

Calhoun Community High School Board Members: In a motion by Trustee Hice and supported by Trustee Davis, the board approved the recommendation of Ms. Laura Otte and Ms. Lydia Drikakis to the CCHS Board of Education.

Community College Act of 1966: After a brief explanation by Mr. Richard Scott, the Board approved the estimate for the amount of taxes or appropriation deemed necessary for the ensuing fiscal year in a motion by Trustee Davis and supported by Trustee Booth.
**Binda Theatre Painting Bid:** In a motion by Trustee Davis and supported by Trustee Camp Seifke, the Board approved the painting bid by Schweitzer, Inc. with a bid cost totaling $71,071.

**CITIZEN/STAFF COMMENTS**

Mr. Rod Price, President of the KFA, questioned staffing for the W.K. Kellogg Foundation grant that was received for the Kellogg Community College Center for Diversity and Innovation (KCCCDI) in regards to staff staying on beyond the 3 year grant period. Dr. Bona stated that the decision will be based on whether or not there is continued grant funding or if enough new revenue is brought in to support the positions.

Mr. Kevin Moody stated that there is also information in the student handbook regarding issues so he reiterated his earlier statement regarding the need for Alternative Dispute Resolution.

**CLOSED SESSION**

In a motion by Trustee Hice and supported by Trustee Camp Seifke, the Board agreed to enter into Closed Session at 8:15 pm to discuss the proposed Kellogg Faculty Association contract. The Board was expecting to take action after the session.

**PUBLIC SESSION**

The Board returned to public session in a motion by Trustee Hice and supported by Julie Camp Seifke at 8:31 pm.

**ACTION ITEM**

**Kellogg Faculty Association Contract:** On behalf of the Board, Chairman Byrd thanked the KFA for bringing forth a responsible proposal that clearly had the College in mind. The contract called for a 0.5% increase and the appropriate step, if any, for each employee and the continuation of the current health insurance and cost-sharing terms.

In a motion by Trustee Booth and supported by Trustee Camp Seifke, the board approved the one year KFA contract for 2014-2015.

**ADJOURNMENT**

Chairman Byrd adjourned the Board meeting at 8:34 pm.
