It's strongly recommended that students speak with a CMU and Kellogg Community College academic advisor upon enrollment of A.A.S. Law Enforcement Program with Police Academy.

Because law enforcement employment must be obtained within 1 year of successful completion of the MCOLES this agreement provides students with three options:

1. If a student desires to complete the Law Enforcement Program prior to pursuing their bachelor degree they may enroll in the B.S.C.D. program at a later date.
2. If a student desires to complete their bachelor degree prior to a career in law enforcement they may do so by completing all of the necessary courses and then enroll in the Police Academy at Kellogg Community College. Once this has been successfully completed the student will need to complete and submit their Prior Learning Portfolio in addition to their transcript to CMU.
3. If a CMU student enrolled in the B.S.C.D. – Public Administration desires to complete the Police Academy at Kellogg Community College, they may do so just prior to completion of their CMU program.

For more information on Prior Learning please visit http://www.cel.cmich.edu/prior-learning/default.html.
