Account Creation

Please enter your information in each of the following sections. Fields with a red asterisk (*) are required and must be completed before you can create your account.

1. Log In

Your first step in becoming a student at KCC is to create an account. Your account will allow you to tell us a little about yourself, submit your Application for Admission, follow your application status, and request information from KCC. Under the 'Log In' button, click on the 'Not registered yet? Create an account yet? Create an account!' link.

2. Tell us about you...

Enter your first and last name, email address, home and mobile phone number. *All phone numbers must include an area code, e.g. 2699653931.*

KCC can correspond with you quickly and efficiently through text messaging. If you would like to receive text messages from us, click 'Yes.' You can opt out of text messaging at any time by replying 'STOP' to any text message we send to you. Message and data rates may apply.

Account Creation Continued

3. Contact Information Continued:

Enter your street address, city, state, and 5-digit zip/postal code. If you live outside of the US or Canada, please check the box above the address information that indicates you live outside of the US or Canada.

Select a Program of Interest. Choosing a Program of Interest will help us when communicating with you about your application and enrollment processes at KCC. If you change your mind about your Program of Interest, you will have the opportunity to change your program when you fill out your Application for Admission.

Check if address is outside of U.S. or Canada
