Community Health Worker Certificate Program

The Michigan Community Health Worker Alliance, in collaboration with Kellogg Community College, is launching Community Health Worker training. Individuals who successfully complete the program will receive a certificate of completion signed by MiCHWA. Successful completion of the program does not guarantee employment but does enhance your employability in the community health worker profession.

When: In-class sessions on Wednesdays, March 7-May 23, 2018 from 8:00am to 5:00pm, plus independent study hours to total 126 training hours.

Where: Kellogg Community College, Lane Thomas Building Room 303, 450 North Ave, Battle Creek, MI 49017

Commitment: 126 Training Hours (in-class sessions, homework, exams, independent study) + 40 Internship Hours (*if not employed as a CHW*)

Cost: \$1080 per student

*Fee includes participant access to MiCHWA CHW Registry for one year

**Registration Open until
Feb. 23 or until class is full**

DESCRIPTION

The curriculum is designed to train front-line health workers to provide culturally responsive services in Michigan communities. Each of the 8 core competencies are presented in modules that promote the development of skills needed to become gainfully employed as a community health worker and enhance the knowledge base of those already employed. The internship consists of field experiences in local agencies where the focus is for the student to apply and integrate their course work into practice. Students currently employed as CHWs will complete internship at their place of work.

TRAINING PRE-REQUISITES

- High School Diploma or GED
- Good oral and written communication skills
- Basic computer skills
- Independent work in community setting
- *If not employer sponsored**
 - Interview with instructor
 - Working car & proof of auto insurance

**We will not conduct a drug screen or background check; however, most employers require both*
