I wish to receive a Federal Direct Subsidized Loan\*\*: \_\_\_\_\_

Yes or No

**\*\*Subsidized Loan:** The government pays the interest on the loan while you are in school, during the six-month grace period and during the deferment periods.

I wish to receive both the Federal Direct Subsidized and Unsubsidized Loan\*\*\*: \_\_\_\_\_

Yes or No

**\*\*\*Unsubsidized Loan:** A loan for which the government does not pay the interest. The borrower is responsible for the interest on the unsubsidized loan from the date the loan is disbursed, even while the student is still in school. (For financial aid terms used visit [www.finaid.org](http://www.finaid.org) )

If you choose the Unsubsidized Loan and have eligibility for Subsidized, we will award the maximum subsidized amount first. Then we will award remaining eligibility in Unsubsidized. These are per year award amounts. Loan award payments are split into two equal disbursements within the semester. For additional information about the difference between a subsidized and unsubsidized loan visit:

First-time loan borrowers must complete the Master Promissory Note (MPN) and Loan Entrance Counseling processes prior to disbursement dates. MPN and Loan Entrance Counseling are completed online at [studentloans.gov](http://studentloans.gov)
