Nursing Admission Packet
for the 2017 full-time/2018 part-time programs

KELLOGG COMMUNITY COLLEGE
Admissions
450 North Avenue
Battle Creek, MI 49017-3397
269 965 4153
FAX 269 565 2085
Welcome to Kellogg Community College’s Nursing Program!

Registered Nurses (RNs) are health professionals who serve individuals, families and communities with actual or potential health care needs. They are leaders, communicators, advocates, educators and care providers in the management of actual and/or potential health problems.

KCC’s Nursing Program is “laddered,” consisting of Level I and Level II courses. Upon successful completion of Level I, a Practical Nursing Certificate is awarded and graduates are eligible to take the PN-NCLEX licensure exam, if they choose. Students who continue and successfully complete Level II courses will be awarded an Associate of Applied Science degree in Nursing and be eligible to take the RN-NCLEX licensure exam. Students do not need to re-apply to continue onto Level II coursework.

KCC’s Nursing Program is offered in full-time and part-time options. Once in the program, the full-time option takes four semesters to complete. The part-time option takes seven continuous semesters to complete. Class and clinicals can occur during day and evening hours for both the full-time and part-time programs, depending upon the schedule.

An Advanced Placement program option is available for current LPNs who are seeking to complete Level II coursework, earn an Associate in Applied Science degree in Nursing and be eligible for the RN-NCLEX licensure exam. Individuals interested in exploring admission requirements for the Advanced Placement option should contact at (269)965-4124 or advising@kellogg.edu.
Kellogg Community College
Nursing Admission Requirements

Non-Course Requirements

- Official transcripts from all other colleges attended.
  Current and up-to-date transcripts are required.

- Grade point average of 2.5 or higher from all colleges attended

- 18 years of age at the start of nursing program

- Proof of high school graduation or GED
  (high school seniors must provide proof of graduation prior to start of program)

- Proof of CPR certification — Certifications that will be accepted are:
  1. American Heart at level of “Basic Life Support for Health Care Provider,” also called “BLS Provider” OR
  2. American Red Cross at level of “Professional Rescuer”
  (CPR certification cannot expire before December 31, 2017 for Full Time, or May 31, 2018 for Part Time)

- Pre-admission Nursing Session (PANS)
  The Pre-admission Nursing session is intended to provide students with information about our Nursing program.
  Students will learn about the Admission process as well as important facts about the program and the profession.
  Registration is open to the public; however any person planning to apply to the Nursing program is REQUIRED to
  attend a PANS session. Students are encouraged to attend a PANS session early in their preparation, however, due to
  the ever changing healthcare and educational environments, it is necessary to attend a PANS session within
  two years of submitting a Nursing Program application. Students are able to attend more than one PANS session.
  Please see the Nursing Admissions page on the KCC website for more information or to register.

Course and Testing Requirements

- Biology Requirements: BIOL 201 (Human Anatomy) and BIOL 202 (Human Physiology)
  Biology 201 and Biology 202 must be completed with a grade ‘B-’(2.67) or higher in order to be considered
  an applicant to KCC’s nursing program. This course requirement must be completed in no more than two
  attempts in order for an applicant to be eligible to apply. This includes attempts completed at KCC and all
  previous institutions. Course attempts completed within 6 years of the program start date will be considered for
  admission. Course attempts greater than six years old will not be counted as an attempt.

- Mathematic requirements: ACCUPLACER® or MATH 101 (Practical Algebra) or MATH 102 (Beginning Algebra)
  Students who score an 85 or higher on the ACCUPLACER® Elementary Algebra placement test are not required
  to take a mathematics course. Students are able to retake the ACCUPLACER® placement test and the test does
  not count as a course attempt. Students who score below an 85 in Elementary Algebra on ACCUPLACER® must
  achieve a ‘B-’(2.67) in MATH 101 or MATH 102 in no more than two attempts in order for an applicant to be eligible
  to apply. This includes attempts completed at KCC and all previous institutions. Course attempts completed
  within 6 years of the program start date will be considered for admission. Course attempts greater than six years
  old will not be counted as an attempt.

- Kaplan Admission Test
  The Kaplan’s Admission Test is a free tool used to assess the academic skills necessary for the nursing program.
  The Admission Test is a 91-question, online, multiple-choice, timed test that evaluates the basic reading, math,
  writing and science skills of students seeking entry into a nursing program leading to RN licensure.
Course and Testing Requirements (continued)

Kaplan Admission Test (continued)
Students must have their admission requirements for the nursing program completed or be registered for the last semester of their admission requirements in order to register for the Kaplan Admission Test, which is offered and administered at Kellogg Community College. One Kaplan Admission Test is permitted per student. Test retakes are prohibited unless more than two years have passed since the date of the initial test. In that instance, a new test is required.

Detailed information is available about the Kaplan Admission Test including focus areas, sample questions and time allotted per section at www.kellogg.edu/nursing-admissions. Students are encouraged to utilize resources to study for the admission test. Kaplan recommends the following study resource:
Please see the Nursing Admission page on the KCC website to register for the test.

Optional Additional Coursework or College Degree

Additional points are available for students who have completed ENGL 151 or 152 (Freshman Composition), as well as PSYC 220 (Developmental Psychology) prior to admittance to the nursing program. A student can receive points for this additional coursework OR they can receive points for having a college degree from an accredited institution. Students who have previously completed a bachelor or higher degree may be eligible for a Reverse Transfer for graduation purposes. Reverse transfers are not applicable to the admission process.

Reverse Transfer
Students who have completed a baccalaureate degree from an accredited institution may be considered for reverse transfer to meet the general education requirements for an Associate in Applied Science degree at KCC. The determination of which courses are to be considered in reverse transfer is at the discretion of the program director. This policy does not release the student from meeting program specific requirements or graduation requirements.

Students who have a baccalaureate and/or masters degree and wish to be considered for reverse transfer credit should email the Director of Nursing Education during the first semester of the nursing program. The following courses may be eligible for reverse transfer credit if they did not directly transfer into KCC: ENGL 151, PSYC 201, PSYC 220, COMM 101, Creativity Elective, Global Awareness.

How to Apply

The Admissions office is accepting applications from August 1, 2016 through June 1, 2017 for the Fall 2017 full time Nursing program. Applications for the Spring 2018 part time Nursing program will be accepted January 15, 2017 through August 15, 2018. If you have completed all of the admission requirements listed in this packet, you may submit an application to the Nursing program at https://apply.kellogg.edu. If you have not yet completed all of the necessary admission requirements but would like to begin working on them at KCC, please submit a General Application to KCC, select Nursing as your Academic Program and meet with an Academic Advisor early in the process.
Admission Requirement Appeals

Specific circumstances allow a student to seek an Admission Requirement appeal. Students cannot appeal course attempts. The two requirements that are eligible to be considered for an appeal include:
1. Grade point average of 2.5 or higher from all colleges attended
2. Successful (B- “2.67” or higher) Biology course that is greater than six years old
   a. Student will need to provide proof of strong competency in biology to be considered for this appeal.

Students who believe they are eligible to be considered for an appeal, should make an appointment with an Academic Advisor to obtain an appeal form.

Who do I contact….

Do I meet the requirements to apply?
Did my courses transfer in from another college?
What is the deadline to apply?
How do I fill out a Nursing application?
What is it like to be in the program?
How many days a week is the program?

## Competitive Nursing Admission Checklist 2017/2018

### Application Cycles
- **Full-time** — August 1, 2016–June 1, 2017
- **Part-time** — January 15, 2017–August 15, 2018

### Nursing Admission Requirements

The following requirements must be completed in order to be considered an applicant to KCC’s nursing program:

- Official transcripts from all other colleges attended. Applicants are responsible for sending updated copies of official transcripts from other colleges (whether using courses or not).
- Grade point average of 2.5 or higher from all colleges attended
- 18 years of age at the start of nursing program
- Proof of high school graduation or GED
  
  (If a high school senior, proof of graduation must be submitted prior to beginning of program.)
- Proof of CPR certification — The only certifications that will be accepted are:
  1. American Heart at level of “Basic Life Support for Health Care Provider”, also called “BLS Provider” OR
  2. American Red Cross at level of “Professional Rescuer”
  (CPR certification cannot expire before December 31, 2017 for Full Time, or May 31, 2018 for Part Time.)
- Attend a Pre Admission Nursing Session (PANS) in its entirety within 2 years of applying. (See pg. 2 of this packet for more information.)
- Kaplan Admission Test — must have admission requirements completed or be in the last semester of admission requirements in order to register for this free test; no retakes. (See pgs. 2 & 3 of this packet for more information.)

The following required coursework must be completed with a grade of ‘B-’ (2.67) or higher in order to be considered an applicant to KCC’s nursing program. The following course requirements must be complete in no more than two attempts in order for an applicant to be eligible to apply. Course attempts are counted within the last 6 years throughout the applicant’s entire academic history from all institutions. See pg. 2 of this packet for more information.

- Mathematics 101 (Beginning Algebra) or Mathematics 102 (Practical Algebra) OR equivalent, OR higher
  (if ACCUPLACER® Elementary Algebra score of 85 or higher, no math course is required)
- Biology 201 (Human Anatomy) or equivalent
- Biology 202 (Human Physiology) or equivalent

### General Education Courses — Additional Graduation Requirements

The following courses must be completed prior to graduation. It is highly recommended to complete these courses prior to starting the nursing program. All courses must be completed with a grade of ‘C’ (2.0) or better.

- Communication 101, 111, or 207 — 3 credits
- Creativity Elective — 2-3 credits
- *English 151 or 152 (Freshman Composition) — 3 credits
- Global Awareness Elective — 3 credits
- Psychology 201 (Introduction to Psychology) — 3 credits
- * Psychology 220 (Developmental Psychology) — 3 credits

*Denotes course can be used for additional points if completed prior to admittance to nursing program (see next page for competitive point system)
Competitive Nursing Admission
Point Structure 2017/2018

Nursing has a competitive, point-based admission process. Students will be ranked for admittance into the program using the point system outlined below. Applications to the Nursing Program are only considered once a student has completed all admission requirements and has submitted a Nursing Application by the indicated deadline date. See sections A, B and C below for point system.

SECTION A — Required Coursework

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Points for First Attempt</th>
<th>Points for Second Attempt</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biology 201</td>
<td></td>
<td>12 points</td>
<td>7 points</td>
</tr>
<tr>
<td>Biology 202</td>
<td></td>
<td>10 points</td>
<td>5 points</td>
</tr>
</tbody>
</table>

Total Points: 24 (24 points possible)

SECTION B — Optional Additional Coursework or College Degree

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 151 or 152</td>
<td></td>
<td>2 points</td>
</tr>
<tr>
<td>PSYC 220</td>
<td></td>
<td>1 point</td>
</tr>
</tbody>
</table>

Total Points: 4 (4 points)

SECTION C — Kaplan Admission Test

<table>
<thead>
<tr>
<th>Score</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>66.00% or lower</td>
<td>0 points</td>
</tr>
<tr>
<td>66.01% or higher</td>
<td>20 points</td>
</tr>
</tbody>
</table>

Total Points: 20 (20 points possible)

Total Points = SECTION A + SECTION B + SECTION C

(76 points possible)
