□ Documentation of a composite ACT score of 19 or higher or the equivalent SAT score, or COMPASS reading score of 78 or higher. Waived for applicants who provide official documentation of a degree from an accredited college. All college transcripts must be submitted for program admission consideration (whether using the courses or not).

□ Grade point average of 2.5 or higher from all colleges attended.

Admission Requirement courses with grade of "B-" (2.67) or higher:

□ Chemistry 100 (Fundamentals of Chemistry I) or equivalent, or higher level chemistry course, must be completed within six years prior to admittance to the program.

□ Mathematics 101, 102 (Practical Algebra) or equivalent, or higher, or COMPASS algebra score of 40 or higher, must be completed within six years prior to admittance to the program.

*MATH 125 or higher (excluding MATH 115) is required for Competitive Admission Option.

□ Biology 201 (Human Anatomy) or equivalent. Must be completed within six years prior to admittance to the program.

□ Biology 202 (Human Physiology) or equivalent, must be completed within six years prior to admittance to the program.

NOTE: High school transcripts are only required for students who are using high school algebra or chemistry to meet admission requirements. High school courses are only applicable for two years post-high school graduation.

NURSING ADMISSION CHECKLIST 2016/2017

Total Credits = 43

The nursing program is offered as full time or part time options. Please see an Academic Advisor for more information on this program.

*Competitive Admission
Please refer to the back of this sheet for more details on Competitive Admission. This is a points based admissions process.
COMPETITIVE ADMISSION INTO THE 2016/2017 NURSING PROGRAM
(Not available for Advanced Placement Program)

Deadline to apply—June 15, 2016.

Applicants who submit the Competitive Application AND complete the criteria required for competitive admission to the Nursing program, will be considered for a competitive seat. Please note — Being considered for a competitive seat does not change your status on the traditional list, which is ranked by date of application completion.

The following items will be used to rank your application for competitive seating. The required competitive courses (ITEM 1) are required IN ADDITION TO the other Nursing admission requirements outlined on the Nursing Admission Checklist. The Nursing Admission Exam results (ITEM 3) are also required to obtain a competitive seat. The general education co-requisite courses (ITEM 2) are optional, with the exception of CHEM 100, which is required to be considered an applicant to the nursing program. Please go to www.atitesting.com to obtain information and purchase study materials and practice tests.

ITEM 1: Required Competitive Coursework
