The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact.

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear **2-14 days after exposure to the virus**. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participating in Kellogg Community College Athletics and that such exposure or infection may result in personal injury, illness, mental trauma, permanent disability, and death.

I acknowledge acceptance and assumption of the risk that the disease can spread, even in ideal conditions.

I freely acknowledge that I am aware of and accept the risks associated with such participation. I also acknowledge that my participation in such activities is wholly voluntary and is not required in any way by Kellogg Community College.

As a student-athlete, I agree to inform the Kellogg Community College Athletic Training Staff when I have experienced signs and symptoms of Covid-19.

I also agree to inform the Kellogg Community College Athletic Training Staff when I become aware that a teammate is experiencing signs and symptoms of a Covid 19.
