

*Lab and Resource Room Hours

Monday through Thursday, 9 am—3 pm

*Labs by appointment only - to reserve, use program email to the right.

*Schedule may change if state guidelines pertaining to COVID-19 change

Please Note:

- The RMTC is not open for classes on Fridays.
- Lab time must be scheduled by student.
- The industrial trades orientation module(s) must be completed prior to initial registration.
- Walk-in orientation hours for summer: Tuesdays and Wednesdays, 10-noon and 1-3 pm.

Forklift Driving Test

Monday through Wednesday, noon—2 pm

(Note: The reading and video can be done anytime when the Resource Room is open, prior to the driving test.)

Semester Start/End Dates and Drop Deadline

Industrial Trades semester start date: May 11

Industrial Trades semester end date: August 6

Drop Deadline: August 5

The RMTC is closed:

May 25 – Memorial Day

July 3 – Independence Day observed

There may be other unexpected closings due to instructor training, vacations, illness, etc. These closings will be posted at the RMTC. For weather related school closings, call KCC at 269-965-3931 and listen to the options. Students can sign up for text alerts for inclement weather closings through the KCC Bruin Portal.
